

DRAFT/  23 April 79

## MEMORANDUM FOR THE RECORD

SUBJECT: Energy Conservation

1. I met with Mr. Elmer Smith of the Department of Energy on 17 April 1979. He provided me with ~~some~~ <sup>some</sup> samples of publicity materials used by DOE to promote energy conservation.

2. He gave me addresses and names of contacts for obtaining material in quantity if we desire:

Pamphlet - "Don't Be Fuelish", DOE, Estelle Wiser,  
Telephone 252-6173.

Pink Panther Posters	)	
Pink Panther Decals	)	
Tips for Energy Savers	)	DOE (T. IC)
Film Listings	)	Oak Ridge, Tenn.
Film "Driving on Energy"	)	FIS 8-626-1308

Making the Most of Your Energy	U.S. Dept. of
Dollars, In Home Heating and Cooling	Commerce (N S) -

Desk Reminders, "Energy Savers"

Public Works,

Poster, Various, Bilingual

Canada

FTS 950-5111  
(613) 998-8146

3. Mr. Smith also gave me a draft copy of Guidelines for an Energy Conservation Employee Awareness Program. I will review these guidelines and see if I can determine what might be appropriate for us to consider in an energy program. In the meantime, we can obtain some of the free literature and make it available to Agency employees.
